Monthly parking is available for \$90. Should you chose to park here for your four-week rotation, you could use the Einstein shuttle to travel to the East and West campuses.

There is a shuttle that leaves from AECOM at 5:30 AM and arrives at the Moses campus by 5:45 AM. The last shuttle leaves Moses at 7:30 PM. We have advised the chief residents to not expect students to arrive earlier than 5:45 AM or keep students later than 7:30 PM due to the shuttle schedule.
